

Our Story...

When a patient's illness or injury warrants specialized care or technology that cannot be delivered at the local hospital, and intensive care is required during transport, Boston MedFlight answers the call. 24/7/365. **Last year Boston MedFlight transported over 4,100 patients by air or ground, and since our founding 33 years ago we have transported over 69,000 patients.** We are a nonprofit organization and transport emergent patients in need regardless of their ability to pay, and last year we provided over \$4.2 million in free and unreimbursed care.

Boston MedFlight is a high performance team whose services often mean the difference between life and death, or between debilitating injury and the hope for recovery, and we treat patients and their families with compassion during these most challenging medical emergencies. BMF was founded by and partners with a consortium of Boston-area hospitals including Beth Israel Deaconess Medical Center, Boston Children's Hospital, Boston Medical Center, Brigham and Women's Hospital, Lahey Hospital and Medical Center, Massachusetts General Hospital and Tufts Medical Center. Since 1985, BMF has played an integral role as part of the Massachusetts EMS system and the community hospitals of New England.

Given that we are a **501(c)(3) nonprofit organization** that receives no state or federal funding, philanthropic support from thoughtful donors and sponsors like you is essential to enabling Boston MedFlight to provide the high level critical care transport that so many individuals rely on when they are in dire need. On behalf of all us at Boston MedFlight, thank you for your consideration and important support.

Your Sponsorship Makes the Difference

We invite you to help support our organization and ensure that we are able to continue to meet the transport needs of those most critically ill and injured.

On **Friday, August 24, 2018**, Boston MedFlight will host our 4th Annual Golf Tournament at Brookmeadow Country Club in Canton, MA.

The purpose of our tournament is to have fun while supporting Boston MedFlight's nonprofit, life-saving mission, and your sponsorship makes the difference between simply a relaxing day on the links and a successful fundraising event.

Lastly, we are a 501 (c)(3) organization and your donation would be tax deductible to the fullest extent of the law.

BOSTON Med Flight

The 4th Annual

BOSTON Med Flight

Golf Tournament
